1-5 PLAYERS  
AGES 10+  
~30 MINUTES

Nut Hunt is a fast-paced squirrel placement game, where 1-5 players battle for control of the forest. Forage for nuts, recruit squirrels, and hassle the fox as you expand your territory through strategy and luck. But even the best laid plans of squirrels and men often go awry. Can you outsmart the fox and your competition?

## THINGS WE LOVE

- Fast and easy to learn, with deceptively deep strategy
- A unique fox mechanic that drives the action
- Modular design with infinite replayability
